

Dear Chapter 856,

I just wanted to say thank you sending me here. it's been an amazing experience. I have done so many incredible things and I am yet to experience more. I have built a glider and a wing rib, made air compressed rockets, flown in a helicopter, and even flown an airplane. in conclusion, I am so thankful that you sent me here, this is the most fun I have had in years. you have made my summer wonderful and exciting and i couldn't have had it without you. if i had the opportunity to do this again I would and I just might. again thank you so much.

-sincerely,
Carlos Chavez
