### **The Challenges and Rewards of Medical Aviation in South Africa**

Danny Hulls was born and raised in Flagstaff and graduated from Flagstaff High School. He and his family spent 12 years in Lesotho, a tiny country in South Africa where he flew missions to provide medical services to people in very remote areas. Danny will share exciting and heart wrenching stories of the thrill and reward of this unique aviation world.

Dinner will be served by Roux 66 and includes hosted beer and wine.

Our high school scholarship winners for 2018 will share their experiences at the EAA Air Academy.

There will be a silent auction and raffle during the event.
